ed Cattle, Swine Prices Highly Mixed Monday at Majors, Winter Storms Noted

Around the eleven major terminal markets on Monday the price trends were highly uneven from point to point as winter storms hindered movement at many places and no specific pattern developed across the board. Fed cattle and staughter cows were close to steady on average, with some mederate swings of 25-50c higher or lower at some points. Slaughter cattle receipts were about 2,500 below last Monday and hog receipts were 4,400 larger around the loop. Hogs were steady to 25-50c higher at a few places, but as much as 1,00-1,50 lower at others and most points showed weakness at the close. Price trends, quotations on choice and prime steers and heigers and the mixed good and choice grades and U.S. 1-3 hogs scaling mostly 200 to 270 pounds included:

Omaha fed cattle steady. Steers 48,50-45,00 and 42,50-41,25. Hogs 1,00-1,25 lower at 45,50-46,00. Bloux City steers steady, heifers steady to weak. Steers 42,50-46,50. Hogs steady to 25-50 lower. Steers 40,00-42,50 and 41,00-42,50; heifers 40,00-42,50 and 41,00-42,50; heifers 40,00-42,50 and 41,00-42,50; heifers 40,50-41,50. Bloux Falls steers fully steady, heifers steady to weak at 45,50-46,00 and 42,50-43,50; heifers 40,50-44,50 and 40,25-42,25; heifers 40,25-41,75 and 40,25-43,00 and 42,50-43,50; heifers 40,50-44,50 and 41,00-42,50; heifers 40,00-42,50; heifers 40,00-4

Cattle on lush green oat and wheat pastures don't need a protein supplement, but they do need help to make best use of the grazing they get.

Cold wet pastures are often a source of foot rot and soft tissue lumpy jaw. Wendland's Pasture-Guard Pellets, medicated with EDDI, guard against these problems. Magnesium deficiency causes grass tetany. Wendland's Pasture-Guard Pellets contain over 2% magnesium to help guard against this problem. And, they contain roughage to slow down feed passage and improve digestability. This and a blend of vitamins, minerals and nutrients will help prevent bloat under the

worst pasture conditions. See your Wendland's Feed Dealer soon and guard your profits with Pasture-Guardi

APHA Convention To Be Highlighted By Beef Truth Conference

Fort Worth — A "Beef Truth Conference" on Jan. 30 is expected to be a landmark event for the beef cattle industry and an innovative highlight of the National Convention Day Program of the American Polled Hereford of the American Association. The conference procedes the 55th National Polled Horelord

Show on Jan. 31 and the National Sale scheduled for Feb. 2: The "Beel Truth Conference" will be held, beginning with an 8 a.m. prayer breakfast, in the Tarrant County Convention Center in downtown Fort Worth. Featured will be Dr. Norman Vincent Peale, famed inspirational speaker. "We think the Conference will be the most vital, informative and useful cattlemen's meeting held in recent years," said Ed Bible, APHA Director of Com-

The participants are authorities in critical areas of the beef cattle industry who will take a hard look at the current status of the industry and help cat itemen plan future production goals oriented toward profit and consumer satisfaction. They include Dr. Earl Butz, former U.S. Secretary of Agriculture, who will address the midmorning session with a presentation entitled "The Truth about the Future of Beef;" and John B. Connally, former governor of Texas and U.S. Treasury Secretary, will address the 12:30 convention lunched by the Tible Convention lunched by the Convention lun vention luncheon on "What This Country Really Needs."

The afternoon program will feature Dr. George V. Mann, world-noted nutritionist and coronary heart disease research scientist, speaking on "The Medical Truth about Beef and Health." David Stroud, president of the National Live Stock and Meat Board, forecasting "The Truth about the Steak in Your Future," and Dr. Robert Lewis, who operates a livestock and grain agency in commodity futures trading, addressing the afternoon assion on "The Truth about Cow Numbers."

about Cow Numbers."

Two widely-recognized animal scientials and leaders in agricultural education will collaborate on a presentation entitled. "The Beef Truth Perspective," that will filuminate the focal elements of the "Beef Truth Conference" in summarizing the proceedings in their unique styles, providing stimulating observations relating to the future of the beef cattle industry. They are Dr. Frank Baker, dean of the College of Agriculture, Oklahoma State University, and Dr. L. S. "Bill" Pope, dean of the College of Agriculture, New Mexico State University.

Jan. 29

Fort Worth

SALE

1 P.M.

An Excellent Opportunity To Obtain Some of the **Best Hereford Heifers** Offered Throughout the

Year from Some of the Most Well-Known Hereford

Breeders in TEXAS!

High Quality, commercial Hereford heifers from nationally known ranches. Available only because the consignors set them aside especially for this sale. BRED and OPEN Heifers. Some bred to registered Herefords, Angus, Brangus and Red Brangus.

f you have reduced your cowherd this year and are looking for outstandi females to build on or to enlarge your base, don't miss this offering. This is your once-a year opportunity to select from some of the best haifers available

in a volume offering. THIS IS AN ALL SHOW — ALL SELL SALE — the heifers consigned as pens of 20 head compete for a total of \$5,000 in premium money, with a \$500 prize for each first place pen before being sold at auction in pens of 20 head.

F YOU ARE LOOKING FOR GOOD HEREFORD FEMALES - those with type thickness of flesh, head and faminine sex character, constitution and ruggedness, quality and smoothness, size, substance and balance. If you want them straight on their legs, with enough bone to range anywhere and you want good milkers to carry good-doing, bloomy calves to heavy weights at weaning — talk to folks who have bought at past commercial Hereford Heifer sales - they'll tell you this is the kind of female sold in these sales.
